EquiPass is a discounted monthly transit pass or single-ride fare that provides a lower-priced transit option for individuals or families who live on low incomes.

2. ***What discount does the EquiPass offer me?***

If you choose a monthly plan with unlimited rides, the EquiPass monthly pass costs \$58.25 per month. These are the 2026 prices and are subject to regular fare changes.

The EquiPass discount is available to City of Ottawa residents whose household income falls below the low-income cut-off (LICO) threshold, as set out annually by the Government of Canada.

- Inland claimants
- Government-assisted refugees under the age of 18 can be eligible for the EquiPass.
- Government-assisted refugees over the age of 18 while receiving financial assistance through the Refugee Assistance Program (RAP) are not eligible for the EquiPass as they can purchase an adult monthly pass with the transportation benefit provided through the program. They can apply for the EquiPass discount after a year of their settlement in Canada, when they no longer receive financial assistance through RAP.

Frequently Asked Questions

6. **What is the Low-Income Cut-off (LICO) threshold?**

The Low-Income Cut-off (LICO) threshold is set annually by the Federal Government of Canada and therefore is subject to change. The LICO is reviewed every year and typically made public in July. This means that your eligibility for the EquiPass discount may change each year. Family size is based on a person's marital status and number of dependents. Annual net family income is based on your and your spouse's (if applicable) 2024 net income (after tax) and has been set at:

Income Eligibility based on 2024 LICO Rates

Family size	2024 Annual net family income
1 person	\$ 25,909
2 persons	\$ 31,533
3 persons	\$ 39,265
4 persons	\$ 48,986
5 persons	\$ 55,781
6 persons	\$ 61,862
7 or more persons	\$ 67,944

7. **How do you know if you qualify?**

Your net income is located on line 236 of the Canada Revenue Agency's Notice of Assessment (NOA) for your 2024 Income Taxes. Both your and your spouse's income must be added together to compare to the above chart. If you have any dependents and receive the Canada Child Benefit, please provide a copy of this statement with your application. The benefit statement is used to confirm the number of dependents in the family.

There are also some exceptions. You could still qualify if:

- You are a refugee newcomer to Canada (copies of landing documents and alternate income documents will be required) and are privately sponsored or an inland claimant or a child under 18 from a family in receipt of the RAP
- You have never filed income taxes before (copies of income documents, such as T4 statements for 2024 or three (3) recent consecutive paystubs will be required) You can provide an Ontario Works (OW) or Ontario Disability Support Program (ODSP) benefit stub for the current month.
- Other cases that raise additional questions will be assessed on a case-by-case basis.

If you qualify for an EquiPass based on one of the exceptions, you will only be eligible for the pass for one year, by which time you must file your income taxes. To re-qualify, the Notice of Assessment is the ONLY document accepted to renew your EquiPass discount.

Frequently Asked Questions

16. What happens to my financial documents once my application is processed?

All copies of personal financial documents are destroyed once the application process is complete. Paper applications forms will be retained and stored in a secure manner.

If an application is incomplete, personal financial documents will be retained for up to 2 months in a secure location in case the applicant provides follow up information.

17. Can I pay the EquiPass single ride fare of \$1.75 by paying cash on the bus?

No. The EquiPass discount must be set on a Presto card. To benefit from the EquiPass single ride fare of \$1.75, you must load money on your e-purse.

18. Does my Presto card need to be registered?

Yes. The EquiPass is a discounted transit pass or single-ride fare, therefore it is not transferable. Only the person who was approved can use it. OC Transpo will verify that it is registered to your name and your current address.

19. How can I load my Presto card with a monthly pass or money once the discount is on the card?

After your EquiPass discount is set on your Presto card for the first time, to avoid lineups and wait times in following months, we encourage you to load your Presto card online if possible. You can also set up an AutoRenew contract, which means your monthly pass will load automatically around the 20th of each month. If you are using the single-ride option, you can set up an AutoLoad contract that will load funds to your e-purse in the amount you choose. For more information on AutoRenew and AutoLoad contracts, please visit prestocard.ca. Please note that AutoRenew and AutoLoad contracts will automatically cancel if the EquiPass discount expires. If you cannot load your monthly pass or e-purse online, you can do so at the following locations:

- At one of our Ticket Machines
- Shoppers Drug Mart / Loblaws / Real Canadian Superstore.
- Download the [official PRESTO app \(Android, Apple\)](#) for a simple, easy way to manage and instantly load your card on the go.
- OC Transpo Customer Service Centres (Rideau Centre),
Please visit our website or call our customer service centre to confirm hours of operations for locations above.
- Select City of Ottawa Client Service Centres (including City Hall, Ben Franklin).

20. How often do I have to reapply?

For most people, the EquiPass discount will be set on your Presto card for a period between 21 and 27 months. It will depend on when you receive it.

If you qualify under one of the exemptions listed in question 8, your EquiPass discount will expire after 1 year as you will be required to file your Income Taxes and re-apply. The Notice of Assessment is the **ONLY** document accepted to renew your EquiPass discount.

EquiPass

Frequently Asked Questions

21. Will you be reminding me when my EquiPass discount expires?

No. You are responsible for checking the expiry date and re-applying.

22. How do I know if the EquiPass discount has expired?

The EquiPass monthly pass option will no longer be available for purchase on your card and your e-purse will revert to charging an adult fare of \$4.10 per ride. You can also check on a Ticket Machine, online at prestocard.ca or ask at an OC Transpo Customer Service Centre.

23. The application form says that you will be collecting information on our application. What information are you collecting?

We will be tracking cards issued to prevent fraudulent use of the discount. Please note that if a duplicate card is found, all Presto cards except one will be cancelled. Duplicate purchases may make you ineligible for the EquiPass discount.

In addition, non-personal information will be collected for program statistics and to support the general program reporting.

Lastly, we will update personal information for the programs involved, such as address or income with other involved programs including the EquiPass, Ontario Works and Ontario Disability Support Programs.

24. What if I lose my Presto card with an EquiPass discount on it? Or what if the card gets damaged or becomes defective?

The process is the same as replacing any registered Presto card.

If your card is lost / damaged / defective, ensure that you “hotlist” (i.e. block) the card immediately, by going into your online account at prestocard.ca, calling Presto or by visiting an OC Transpo Customer Service Centre (ID will be verified). If you aren’t sure if your card is damaged or defective, take it to one of our OC Transpo Customer Service Centres, and they will verify it. Once the card has been hotlisted, you will need to obtain a new, unregistered Presto card at

- One of our Ticket Machines
- Shoppers Drug Mart / Loblaws / Real Canadian Superstore.
- OC Transpo Customer Service Centres (Rideau Centre),
Please visit our website or call our customer service centre to confirm hours of operations for locations above.
- Select City of Ottawa Client Service Centres (including City Hall, Ben Franklin and Kanata / Terry Fox).

DO NOT register the new card, and **DO NOT** load a monthly pass on the new card.

Frequently Asked Questions

Once you have your new card, you transfer your data to the new Presto card immediately. This generally takes between 12 to 24 hours. For lost or damaged cards, you are responsible for the cost of travel during that period.

25. *I have a U-Pass, but I'd prefer to get an EquiPass. Can I get a refund for and opt out of my U-Pass?*

No. You cannot opt out of your U-Pass in favour of the EquiPass Program. The U-Pass is less expensive than the EquiPass discount. You can apply for the EquiPass discount for months when you don't have a U-Pass, e.g. in the summer months, if not going to school full time.

26. *I'm 18 or 19 years old, and I have never filed taxes because I just started working this year. I don't have a Notice of Assessment. Do I qualify?*

It is possible that some people have just entered the workforce, and never had to submit Income Taxes. In this case, please ensure we get all your Income Tax slips for the previous year – including, but not limited to, T4 and T4A statements, if you were working. If you were not working the previous year, please provide your three (3) recent consecutive paystubs for each job that you currently hold. We will review and advise you if more information is required.

27. *I am 20 years old or older but have never filed my Income Taxes before. Can I apply?*

Yes, you can apply. Please contact OC Transpo at 613-560-5000 (TTY 613-741-5280) to discuss your situation and eligibility. Note that your application may take additional time to process without a Notice of Assessment (NOA).

28. *It's December, and I don't have this year's tax information yet. What do I use to apply?*

As of January 2026, we are using the 2024 LICO chart to compare to your annual income from your NOA. We will be accepting the 2024 or 2025 NOA for 2026.

29. *I don't have my copy of the NOA anymore. How do I get a one?*

Contact Canada Revenue Agency to get a copy. For more information, see <http://www.cra-arc.gc.ca/tx/ndvdls/t�cs/ncm-tx/ssmnt-eng.html>.

30. *If my EquiPass discount is not transferable, what happens if a Transit Fare Enforcement Officer (TFO) stops me? What do I need as proof?*

If fare inspection occurs, provide your Presto card. To confirm your eligibility, you may be required to provide photo identification.
